

## Jason Stewart

UX/UI Digital Designer

07713860592

jason\_stewart@hotmail.co.uk

### About Me

I am a talented designer, with experience in print and digital design. I have combined my qualifications in both Computer Science and Digital Design to pursue a career in design. I excel at multi-tasking, as well as delivering a high standard of usability. I like designing online and offline, whilst crafting a seamless digital experience for the customer. This is done through thoughtful strategy and execution.
